Chapter Title:

Com-211 Form

Chapter Number:

0399.1

Issued: September 30, 1996

Revision -

Revised:

COM-211, Telecommunications Management Annual Plan (TMAP) Form — outlines all anticipated telecommunications activity, including moves and expansions, for two fiscal years. The TMAP consolidates telephone, data and radio requirements into a single document.

Note:

TMAP

The TMAP process is currently on hold pending specific instructions from the TD.
